Class of 2006

A New Beginning

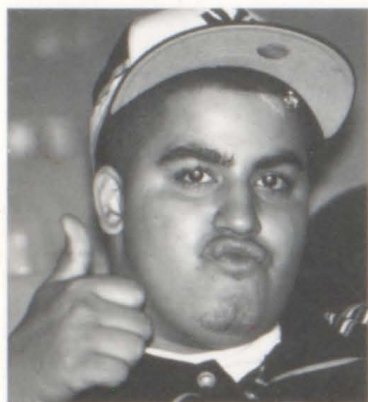

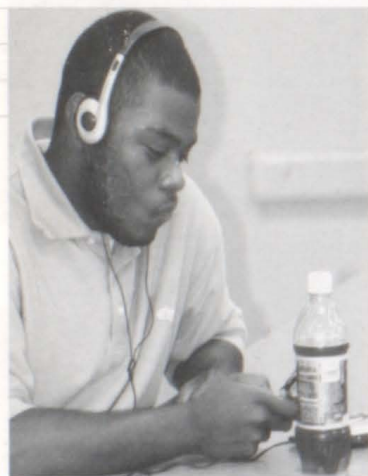

Central High School Blue Devils

2006 MARKS A NEW BEGINNING

Our school year was filled with entertainment, success and ever-lasting memories from September to June. While the Blue Devils on the Grid Iron learned from their mistakes, the Central High Basketball Team learned and benefited from the mistakes of others as they went on to win their Regional and Group Championship.

We welcomed a new Vice Principal -Mrs. Jeter and many new teachers. The school also added a Video Club and a new looking Cafe with an updated menu. As we prepare to move our memories from the old building to the new building, the path is now laid for other Blue Devils to follow. Blue Devil Spirit... Strong Again!

A New Beginning

Blue Devil Headlines

Making things happen in 2006...

Watch us Laugh, Learn and Live.

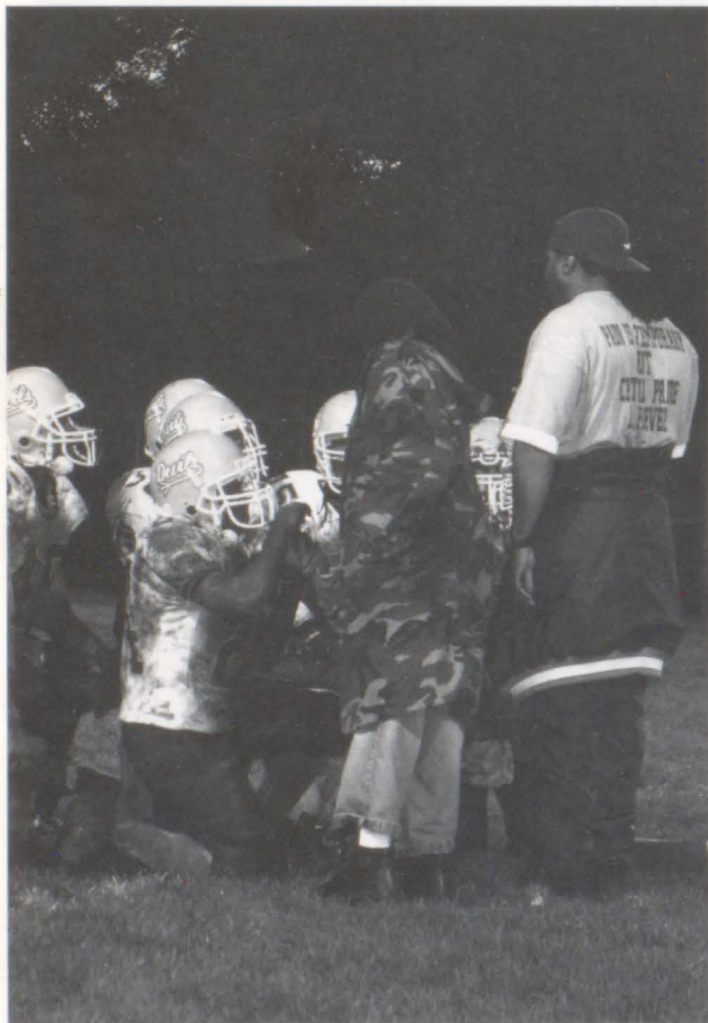

The New Central HS

After many delays, the new home of the Central Blue Devils is coming along well. While our class will not be the 1st, we are proud to be part of this historic event.

Wait until next year.

If she came to the Jr. Prom looking like this, what will we have to deal with this year as we celebrate our Senior Prom. Watch Out!

Central High Football

The Blue Devils spent the season rebuilding the Football Squad. Next Year is near.

Blue Devil Pride

The Central High School Color Guard was a very important part of our school band. Thanks to the Seniors who participated.

Jr. Prom 2005

Our Jr. Prom was held at the NJIT Ballroom. Thanks to our advisor -Mrs. Scipio, it was a great event.

Welcome Back!!!

Cheerleader Coach -Ms. Dent rejoined the Cheerleaders at a football game in Roselle Park.

We're Sorry

Mrs. Bell is one of the people we drove crazy during our senior year. We are sorry Mrs. Bell... How could we have done it without you? Class of 2006

Move Over Super Fly!!!

Jonathan showed up at the Jr. Prom playing Curtis Mayfield music. Too clean to be seen with anyone.

Momma Yates

Just when we thought we escaped Momma Yates in US History II, she shows up at Twilight to show us the importance of learning, love and leadership. Thank You Mrs. Yates

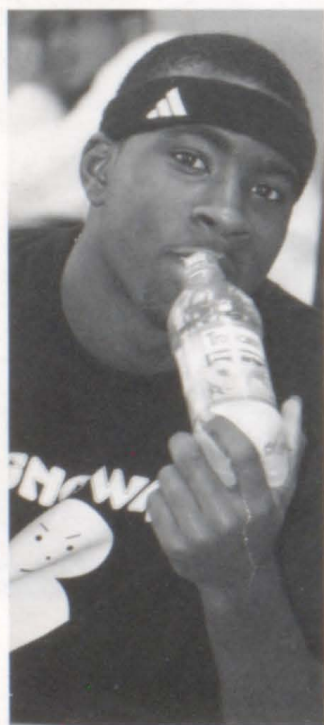

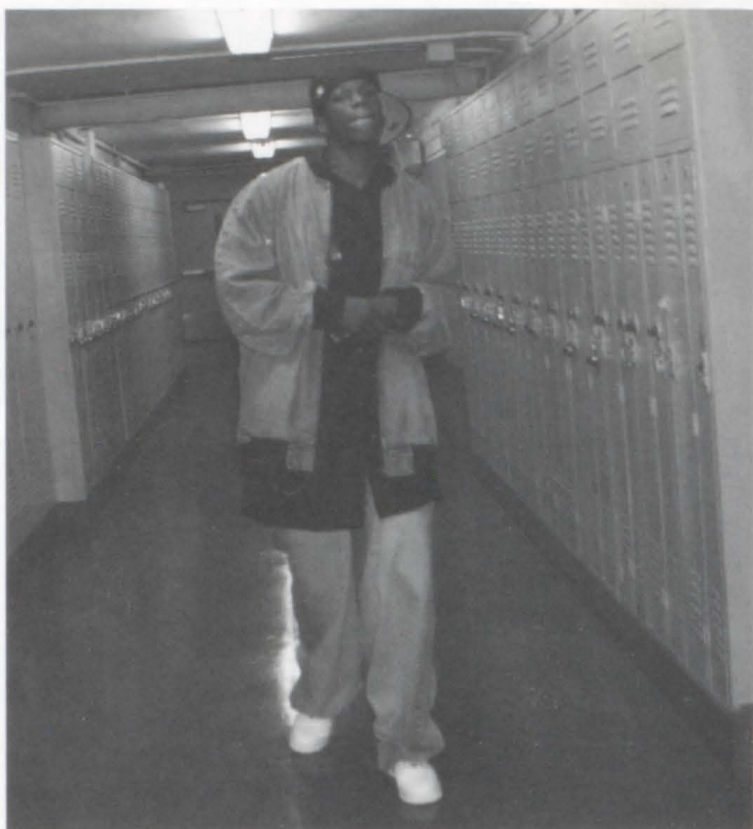

What? Copy and Paste!

Thanks to Ms. Logan, many of us had to do "real" research projects. She put an end to the ol' copy and paste projects. We are ready for college now.

I Told You So...

I asked Mr. Muhammad a million times to please put me in the yearbook. It finally worked.

The Administration

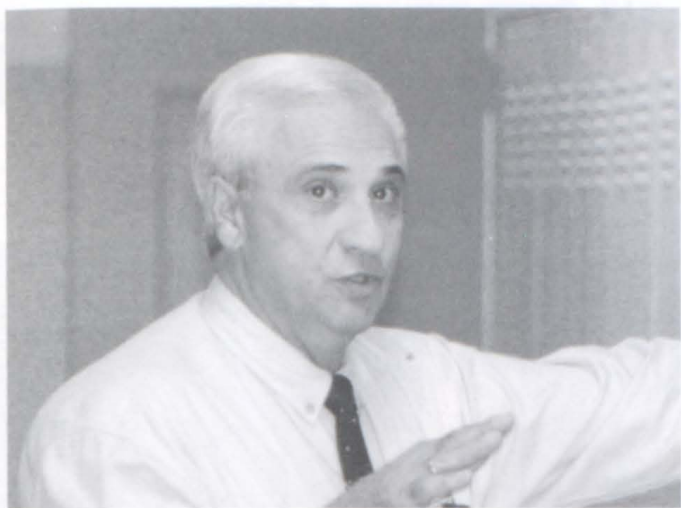

Mr. Gregory Stewart -Principal

Congratulations to the Class of 2006! May you find in your future an abundance of happiness, joy and success. The contributions made by your class towards making a better society will be cherished. Keep in mind that we share a very special kind of relationship that has made you grow into a better person. Over the last four years, we have shared so many other things along with your education -happy memories, precious dreams, little discoveries and private jokes that no one else would understand, and being part of seeing our new school build. We have come to know each other's strengths and vulnerabilities and how to really make each other happy. Blue Devils, I would like to say we are a pretty great team, and I would not trade what these last four years meant to me for any years of my life. We have not had a class, in the last four years, more dedicated to their education as the Class of 2006.

The Class of 2006 spent a great deal of time with many of the teachers. They were always caring and sharing. Without a dedicated staff, we would not have accomplished many of the things in our four years at Central High School. The lessons that we learned will last us a lifetime.

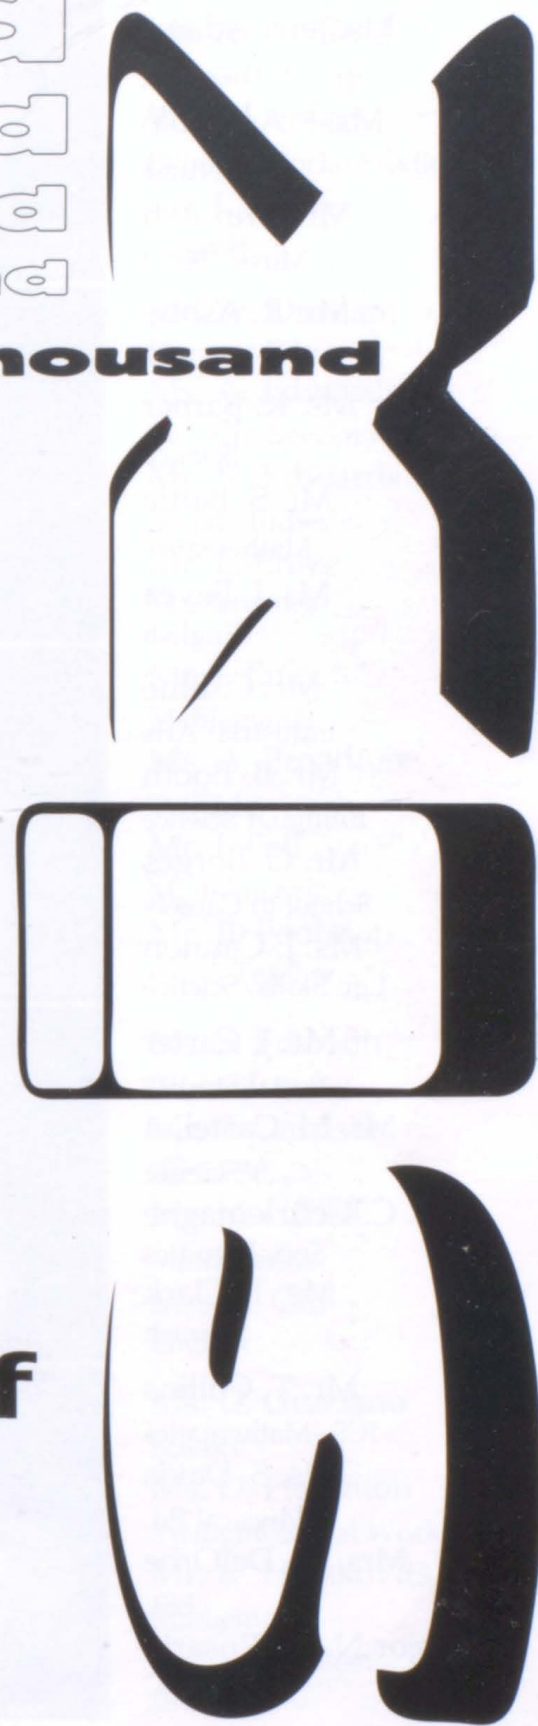

Thank you to the Faculty and Staff of Central HS.
